

The Augusta Disc Golf Association (ADGA) is hosting the area's largest annual disc golf tournament, the **Augusta Classic**, on September 14th-15th 2013. This A-Tier event is sanctioned by the Professional Disc Golf Association (PDGA) and draws many professional and amateur players from inside and out of the Augusta area.

The Augusta Classic has been an annual event since 1990, at which time the ADGA was formed. Augusta, Georgia is home to the PDGA's International Disc Golf Center (IDGC) and the headquarters of the PDGA.

The competitors, along with friends and families, came from across the nation to be part of the 2012 Augusta Classic. All were astonished at the work that was put forth by the ADGA to make it the best tournament there had been. For this event, we expect to have 150 competitors and spectators in the Central Savannah River Area for approximately three days.

We hope the local business community will rise to the occasion in sponsoring this event to make it a memorable one. In order for this sport to flourish, sponsorship is essential to provide prizes and monetary donations in the purse for the tournament players from the businesses in Augusta, surrounding areas, and nationwide. We will accept products, such as food or soft drinks for the players and spectators during the event. Sponsors can also donate small items, such as energy bars, stickers, lotions, key chains, etc. These types of items can be placed in the players' package, which will be given to each competitor at registration. The minimum quantity of donated players' package items will be 100 due to expected turnout.

Sponsors with sizable donations can expect to display advertisement at the event, with some discretion on size limitation for banners, due to space restrictions. There will be media coverage of the tournament in the form of local TV stations, newspaper articles and radio announcements in Augusta and surrounding areas.

Please review the list of sponsorship packages below. We welcome any additional creative sponsorship ideas. We hope to see you as an Official Sponsor of the **2013 Augusta Classic**. Thank you for your time and interest in Disc Golf -- the sport of the future!

John Carson, President

Augusta Disc Golf Association
